Accommodation

Finding accommodation has to be a priority and should be undertaken as early as possible. Please, mention what you would prefer:

A room in a University Hall of Residence (CROUS)

We always try our best to allocate a room, but this is not always possible due to high demand and a limited amount on rooms available for international students at Sciences Po Toulouse. However, you would be notified in July, which would give you time to find alternative accommodation if necessary. The rent should be around 300€.

A room or a flat from a private landlord or an estate agent.

Information can be found online at this page: <https://welcomedesk.univ-toulouse.fr/en/liste-articles-information/logement>

In Toulouse, an accommodation/housing can cost between 350 to 500 €/month

I hereby certify that all of the above information provided in this application is complete and correct,
